

CHAMPAGNE DIVOT STOMP VOLUNTEER INSTRUCTIONS

VOLUNTEERS NEEDED 4 - 6 EACH ON FRIDAY & SUNDAY

The task is to guide patrons into single lines to pick up their champagne during the divot stomp. We do not assist with the pouring and distributing of the champagne!

- **Please pick up an orange vest at the Booster membership desk before the end of the 3rd chukker or before intermission if it's a round robin.**
- **As soon as the field is clear of horses and players, you will quickly make your way to the champagne carts. (There will be 2)**
- **Two volunteers will line up facing each other on either side of each cart. Stay until the line clears.**

Thank you for being a volunteer, we cannot do it without you.
